

# Auctionlist Closing Date Sunday 15th. October 2023 !

## Foreword

Hello Recordcollectors,

I think this year's Cover art is taken from a French record sleeve. It's been a while, I can't exactly say from which record company. It has also been digitally "refreshed". Once again I am thrilled by the design . . .

3251 artefacts of music history have found their way into this list this year. In view of some Convolutés a few more.

After the list has been completed, notifications will come as usual and then the List with leftovers for all bidders.

Editing these then always takes a few days

This means that in the first few days after the list shipping is not so fast like usual. Please understand and I try my best!

Six colleagues have contributed records to the list.

As a matter of principle, no records will be included in this list that do not provide an acceptable listening experience! I mention this because once again

there are records inside in supposedly bad condition. However, it is very often the case that these still play well!

Sometimes even better than records in top condition. In most cases they are stated as "plays well = spielt gut"! These are often records from collectors and our predecessors can be trusted in my experience. . .

With so much information, mistakes creep in. The most widespread is the "number salad". Can't be avoided with the mountains of numbers cannot be completely avoided ... . .

Otherwise, I am happy to receive additions of all kinds, which I will then gladly add to my database.

Records fit into different categories and collecting areas! So it is advisable to at least read across all categories!

The pictured labels can be found in their original colours on my website at [www.rcc78.de](http://www.rcc78.de).

There you can always find some records at fixed prices.

After the auction, all active bidders will receive a list of remaining items at good, fixed prices. It will be sent directly by e-mail.

Now I am happy to have done it again . . .

I hope that there will be interesting items for exchange and I am looking forward to all offers / bids.

With best collector's greetings from Vogelsberg

*Michael Ladwig*

**P.S. All Collectors who are taking part of the list, will get a list with the unsold records for a good fixed price after the auction . This Time I will send this list by email as a pdf-File. That's more practical and easier.**
